ORDER¹

Before the Court are the Findings, Conclusions, and Recommendation of the United States Magistrate Judge advising the Court that Petitioner's Motion for Post-Conviction Relief should be construed as a successive petition and transferred to the United States Court of Appeals for the Fifth Circuit.

The Court has reviewed the Findings, Conclusions, and Recommendation for clear error and finds none. It is therefore **ORDERED** that the Findings, Conclusions, and Recommendation are hereby **ADOPTED** as the findings and conclusions of the Court. For the reasons stated therein, Petitioner's Motion for Post-Conviction Relief is **CONSTRUED** as a successive petition and **TRANSFERRED** to the United States Court of Appeals for the Fifth Circuit. The Clerk of Court is **DIRECTED** to: (1) terminate the motion in this civil action; (2) open a new habeas case for administrative purposes only; (3) docket the motion in that new case as a § 2254 petition filed on August 25, 2020; (4) directly assign the new case to the undersigned Senior United States

¹ The Court need not consider objections from Petitioner prior to the entry of this Order, as the outcome remains the same—as a matter of law—regardless of whether objections are filed.

District Judge and the same Magistrate Judge as in this proceeding; (5) file in the new case a copy of these Findings, Conclusions, and Recommendation of the United States Magistrate Judge, and the order accepting these Findings, Conclusions, and Recommendation; and (6) without further judicial action, immediately **TRANSFER** the newly opened § 2254 action to the United States Court of Appeals for the Fifth Circuit under *Henderson v. Haro*, 282 F.3d 862, 864 (5th Cir. 2002) and *In re Epps*, 127 F.3d 364, 365 (5th Cir. 1997).²

SO ORDERED this 8th day of September, 2020.

SAM R. CUMMINGS
SENIOR UNITED STATES DISTRICT JUDGE
